Sixteen battalions of Montenegrins, or second reserves, have been called to arms in the Salonika, Vardar and Morava districts, and the artillery and cavalry reserves of the Adriatic and Smyrna districts have also been mobilized. The commander of the Third Army Corps has been ordered to strictly watch the Serbian frontier, where it is thought revolutionary bands will probably cross.

THIS LADY IS A HEROINE

as it was possible for the thing to be done. Planting herself firmly and holding to one end of the rail with all her strength, she sent the other end with the help of her excited companions. With the desperation of the drowning both seized it and held to it with the grip almost of the death that was near them. Mrs. Cannon pulled them ashore and worked vigorously to resuscitate them. She succeeded in this also, making her gallant rescue complete.

Draw Them Ashore

When the story came out at the house and the party Mrs. Cannon had played in it was known there and also leaked out among friends of the Breckenridge family in the town, she was overwhelmed with praise and congratulations. These she modestly declined, and she is sure she richly deserves, and they are very proud of her.

Mrs. Cannon, prior to her marriage to Mr. Cannon, of Cannon and Gordon, attorneys at law, was Miss Bernard Harvey. She is the daughter of Mrs. and Mr. James B. Harris, of No. 113 South Third Street.

CAPT. HOBSON SPEAKS ON AMERICA'S MISSION

(By Associated Press.)

TUSCALOOSA, Ala., September 7.—Captain Richmond Pearson Hobson delivered here to-day the first of a series of lectures to be given in this district on "America's Mighty Mission in the World." He was greeted by a large gathering and received the warmest attention. He closed his address with an appeal that the American navy shall be placed in the first rank, for which the expenditure of one and a half billion dollars for new ships, covering a period of fifteen years, should be appropriated at the next session of Congress and increasing this by ten millions each succeeding year.

FULTON VS. MOORE

A Conflict Between the Reports from Patrick, Grayson and Carroll.

Private advices from the senatorial district, composed of the counties of Carroll, Grayson and Patrick, where primaries were held on Thursday last for State senator are conflicting. One telegram states that J. K. Fulton is nominated, having received 375 votes in Grayson and 25 in Carroll, while his opponent, Judge J. R. Moore, received 90 votes in Patrick. Mr. Fulton has been defeated. The official figures are eagerly awaited.

NOT A MERGER BUT ENDS COMPETITION

This the Effect of the Monongahela Company Deal With the Pittsburg Company.

(By Associated Press.)

PITTSBURG, Pa., September 7.—Official sanction was given to the purchase of the control of the Monongahela River Consolidated Coal and Coke Company today by the United States district court, Pittsburg Coal Company. The deal is not a merger of the two companies, and there is no intention of making it a merger, according to the official statement of President Frank H. Robbins, the chief executive officer of the company. He said, however, that the river combine under the Pittsburg Coal Company in the future, and there will be no competition in the sales department nor conflicting interests. President Robbins said that there was nothing done at the meeting about the consolidation with the Pennsylvania and other railroads and coal companies, replied that these negotiations were only generally discussed. He did not think that any public action would be made concerning them for at least thirty days. This proposition, he said, did not involve the selling of any stock of the companies or of the sale of anything belonging to the Pittsburg Coal Company. Regarding the stories about the deal with the Pennsylvania and other transportation lines in Pittsburg was a measure to cut off the Wabash Railroad tonnage, Mr. Robbins emphasized his denial of this report, saying that the only thing that the kind was considered, and even hinted at, and that the Wabash would be as warmly welcomed to this field by the Pittsburg Coal Company as any other line existing here to-day.

Denies All Fraud.

NORFOLK, Va., Sept. 7.—Mr. D. B. Capps, of Prince Anne county, today declared that despite the claims of the defeated candidates there was no fraud in the primary election, and that the claim that there was, is a forlorn hope of the defeated officeholders.

After all the facts are known, he says, the defeated faction will have scarcely a chance before the State Committee.

COUNCIL IN MANCHESTER

Regular Meeting of the Lower Branch To-Night.

Manchester Bureau Times-Dispatch, No. 1102 Hull Street, 1

The Council will meet in regular session to-night. There are no special features of public importance liable to crop out at this session, but at the joint session to-morrow night some interest will be shown in the election of a city attorney.

Judge Clifton will be the position of city attorney by Mr. Charles Page, the Commonwealth's attorney, and this contest promises to be a pretty one, with a close vote. Two Councilmen seen by the Times-Dispatch man last night expressed themselves in favor of Mr. Page as against Judge Clifton for the reason that Judge Clifton had not given the Council his closest attention, in that he did not give his opinions in writing so they could be placed on record.

None of the other city officers have contests on their hands, and it is likely that they will be chosen by acclamation. The fight for legislative honors is waging hot. All the candidates are striving for votes. For the Legislature, Mr. Carter Harrison has his friends, and so has Mr. Bobby Rivers. It is a close call for Mr. Sadler as between Mr. Robertson and Mr. Sadler.

Last night Mr. Charles Page, Commonwealth's attorney, expressed himself as follows for Mr. Rivers:

I wish you would put me down as one who will vote for Mr. Rivers. He is a young man of capacity sufficient, I think, for the position, of exemplary character, and I hope he will be elected. The young man has struggled hard to elevate himself, and I really think we would do credit to ourselves as an outsider not to give him a handsome majority."

Another gentleman, friendly to Mr. Harrison, says:

"Mr. Harrison is a man of experience, and I think he will fill the vacancy to be left by Mr. Toney in the most acceptable manner. I intend to vote for Mr. Harrison because I want a man to represent the district who has the experience to make something out of the position."

THE REMAINS OF MRS. COUNOWN. The remains of Mrs. Dora Counown will be buried in Maury Cemetery this afternoon at 2 o'clock. She was the wife of Mr. William S. Counown, who is employed in the Southern shops at Lawrenceville.

She leaves her husband and one child, a sister, Mrs. Mollie Hines, and four brothers: B. E., James H. and B. A. Barker. She was the daughter of the late Benjamin Baber.

MAYOR MAURICE SUNDAY. Mayor Maurice Sunday was fined \$25 for disorderly conduct. Charles Jackson was fined \$5 for alleged abduction. Lizzie Chas. paid \$25 for assaulting Daisy Johnson.

SMALL TALK. The registration books were opened yesterday and will remain open for ten days. The primary election for members of the Legislature will be held on the 15th inst. by the members of the Olympia Club, and a professional nurse will attend him in his sufferings.

Mayor Maurice held a night session of his court last night to accommodate a circus man.

Ernest Hunt and J. M. Marsh, the latter a circus man, were arrested for fighting at the circus grounds last night. The fight was a bare-knuckle one, and each was fined \$25.

George Finch and J. W. Barnes were arrested last night, as suspicious characters, and their case will be heard this morning.
